INSTRUCTION NIGHTS

This season I am hoping to start a photographic distinctions group. As a club this is something we haven't done before but it is something we can ALL work towards. It is an excellent way to focus and improve our photography with a goal in mind. It is NOT just for advanced members but can involve us all.

On Monday 12th September Ralf Duckett is coming to talk about RPS and PAGB distinctions and explain what is involved. I hope this will be of interest to many members. Grace Mason
